Introduction

Lions Clubs International, formed in 1917, is the world's largest service club organization. There are over 1.3 million members, active in over 45,000 communities, in over 200 countries.

Lions are ordinary people who volunteer their time to humanitarian causes in their local and global communities.

As a volunteer and charitable organization every pound raised goes directly to charities and needy causes.

We Serve

Radcliffe on Trent Lions Club Registered charity number 1079686

The club was formed in 1992 and currently has 15 members. We have no political or religious agenda and welcome members, both male and female from all sectors of our community.

The club raises funds to help local, national and international needs. We also provide voluntary service in the local community, and offer practical support where required.

Recent Fund raising events include:

- RoT Carnival
- Jazz night
- Fashion Show
- Quiz night
- Recycled soft toys and jewellery sales
- Sponsored walk

We also recycle mobile phones & spectacles either to raise funds or for use in countries overseas.

Members meet in Radcliffe on Trent twice a month to plan events and decide how funds might be allocated. In addition, members enjoy a variety of social events. Why not join us at a meeting to find out how you could help.

During the 12 months ending June 2015, we raised almost £7000 This has enabled us to make donations to:
