Policing for you

How you can help the police

There have been several incidents that have occurred in your community that have not reported to the police. These incidents have included anti social behaviour (ASB) and criminal damage.

If you see people behaving in an anti social way, causing nuisance harassment, alarm or distress in the neighbourhood or are a victim of crime we urge you to report it to the Police promptly.

If it is an emergency dial **999**

If it is a non-emergency dial **0300 300 99 99**

If **you** see it happen we urge **you** to ring the police. This way important information can be gathered such as descriptions of offenders, vehicle descriptions and what is actually happening and the exact location.

This helps to create a bigger picture for the police so that we can be better placed to respond to incidents in the future and can target the issues that are occurring in East Bridgford

Help us to help your community by telling us what is happening.
