

EAST BRIDGFORD VILLAGE HALL QUESTIONNAIRE

Dear Householder

The Village Hall is a valuable and well-used community resource, however it is nearly 150 years old and there are issues regarding ongoing maintenance, lack of disabled facilities and other aspects which do not meet modern standards.

As part of the Village Hall Management Committee's considerations towards planning for the hall's future we need to know your views.

If, by any chance, you have not already received this questionnaire which is being delivered to all households in the village, we would be grateful if you would spare just a few minutes to print out and complete this questionnaire for your household, either as a direct user of the hall or as a member of a group or organisation.
