

East Bridgford Village Hall still needs you!

The management committee has increased in numbers following our appeal in the July edition of the magazine. Unfortunately we still do not have a **Chair Person**. This is not a demanding role, it will typically take up no more than 1.5 hours a week.

***Could you be the person we
are looking for to fill this position:***

- A few hours a month to spare?
- Committed to the survival and efficient functioning of an important and well used village asset?
- Happy to be part of a friendly team?
- Confident using the telephone and emails?

We are all volunteers. No formal qualifications are required and you would get plenty of help and support while learning your role.
